

STUDENT SAFETY

Student safety shall be a priority of all school district personnel through close supervision of students in all school buildings and grounds and through special attention to:

1. Maintaining a safe school environment.
2. Observation of safe practices on the part of school personnel and students, particularly in those areas of instruction or extracurricular activities which offer special hazards.
3. Development of school programs and activities consistent with appropriate abilities and limitations of students at each age level.
4. Offering safety education to students as germane to particular subjects, such as laboratory courses in science, industrial arts, and health and physical education.
5. Providing, through the services of the school nurse, first aid care for students in case of accident or sudden illness.
6. Adequacy of emergency response procedures at each school in the district.
