Dear LEARN Families,

The State Educational Resource Center (SERC) has asked districts across the state to share this opportunity with all Connecticut families.

SERC is facilitating a focus group **today, Wednesday, May 20, 2020, from 5:30-6:30pm** to gather the perspective of parents specifically about the options being explored for reopening schools in Connecticut. SERC intends to submit thoughts, ideas, and perspectives from the focus group to the State Department of Education for consideration by the Governor's Reopen Connecticut Advisory Group. Below is the Zoom link to participate in the focus group.
