Dear Parents and Caregivers,

The Commissioner of Education has enlisted the help of the six Regional Education Service Centers (RESCs) to gather and analyze thoughts related to the process of reopening schools. Your ideas are essential to this process. Our State leaders need to hear from you when making decisions about our schools and considering next steps. We hope you will share your perspective, using the confidential and anonymous tool below.

Thank you in advance for taking the time to give input on this important issue.

Respectfully,

Ryan Donlon, Associate Executive Director, LEARN  
Bridgette Gordon-Hickey, Deputy Executive Director, LEARN
